

Letter of Undertaking CCPP-February 2026 Batch

I here by give the undertaking for the following:

1. Since placement drives are conducted both offline and online, there is a possibility that companies may directly contact students due to the current situation. If this occurs, I will promptly report it to the Placement Coordinator.
2. I understand that the placement team can upload data to ACTSPMS and inform ongoing placement drives about placed students only after receiving official email confirmation of the selected candidates from the companies. This enables the team to request additional students for the waiting list as needed.
3. As the student tracker is shared with companies for placement purposes, and companies have direct access to students, there is a chance that some students may get placed in multiple companies without the Placement Coordinator's knowledge. I acknowledge this fact and commit to informing the placement team honestly, and if required, notifying the company of my prior placement.
4. I understand that the placement facility follows a "one job per student" policy. If I am already placed, I am not allowed to participate in the placement process for any other company, even if I am shortlisted.
5. I am aware that I am strictly prohibited from directly contacting company representatives. For any issues related to placement activities, I will approach the Placement Coordinator.
6. I acknowledge that if I secure a placement through C-DAC ACTS and the company later cancels the offer due to document verification issues, misbehavior, or performance concerns, C-DAC ACTS will not be held responsible.
7. I understand that if a student declines an offer during the interview process or after selection, they will be disqualified from participating in future placement opportunities.
8. I recognize that students are solely responsible for their social media activities. C-DAC ACTS is not accountable for any posts by students during campus placements. However, any offensive messages about the center posted on social media will be treated seriously, and appropriate actions will be taken against the student.

9. If I misbehave with the placement team, company representatives, or batchmates, or fail to follow the rules of the placement activity, I will be disqualified from participating in any further placement processes.
10. I understand that C-DAC ACTS reserves the right to disqualify any student from placement activities and aims to provide the maximum number of eligible students with placement opportunities. Placement is a privilege, not a right, and the guidelines are designed to ensure fairness and quality opportunities for all.
11. I will adhere to the placement rules, maintain honesty throughout the process, and treat my fellow batchmates with respect.
12. I understand that a maximum of three opt-outs are permitted during the placement process on medical grounds, provided that I submit valid medical documentation to the placement team. Failure to comply will result in disqualification from further placement opportunities.
13. To Get added to the placement process I should come and meet the placement officer with the medical document.
14. Once I confirm my participation in a placement drive, I will not opt out except on medical grounds. Failure to comply will allow the Placement Coordinator to cancel my eligibility for future placements and mark my status as "Self-Placed" in ACTS PMS.
15. The "Opt-Out" option will be available only until **two months from the date of starting of placement** for a maximum of three companies, with requests submitted via email to the Placement Officer and supported by valid medical grounds. From two months from date of starting of placement, no opt-outs will be allowed. Non-attendance at any shortlisted company's process will result in immediate removal from the CCPP, and my status in ACTS PMS will be marked as "Self-Placed."
16. I understand that students must strictly adhere to all rules and regulations of the C-DAC ACTS Bangalore placement process. Any breach will be taken seriously, and appropriate actions will be taken against the student.

I Anurag Bishnoi with PRN No. 260250120025 from the course PGCP-AC from FEB(2026) batch here by have read and agreed to abide by the rules and regulations mentioned above.

Signature: Anurag Date: 26/06/2026
